

Dear Unit holder:

An Independent Review Committee (the “IRC”) of the Galileo Funds (the “Funds”) was established July 10, 2007 pursuant to *National Instrument 81-107, Independent Review Committee for Investment Funds* (“NI 81-107”) to provide advice to Galileo Funds Inc., the manager of the Funds (the “Manager”), regarding certain conflicts of interest in mutual fund management. The members of the IRC have expertise in a variety of fields, including financial institutions, investment funds, other investment businesses and accounting. Your IRC is pleased to present its annual report to unit holders of the Funds under the requirements of NI 81-107 for the year end December 31, 2008.

Securities regulators have given the IRC a mandate to review mutual fund conflict of interest matters identified and referred to the IRC by the Manager and to give its approval or recommendation, depending on the conflict of interest matter. The IRC’s focus is on the question of whether the Manager’s proposed action achieves a fair and reasonable result for the mutual fund. At least once per year, the IRC will also review and assess the adequacy and effectiveness of the policies and procedures relating to conflict of interest matters in respect of the Funds, and will also conduct a self-assessment of the IRC’s independence, compensation and effectiveness.

The IRC looks forward to continuing to serve in the best interests of the Funds and working effectively with management for the Funds.

John S. Willson

Chair of the Independent Review Committee

The members of the IRC are:

IRC Compensation and Indemnities

The aggregate compensation paid by the Funds to the IRC for the twelve month period, from January 1, 2008 to December 31, 2008, was \$30,000. This amount was allocated among the Funds in a manner that is considered by the Manager to be fair and reasonable to the Funds. The initial compensation of the IRC was set by the Manager. As at the date of this report, each member of the IRC receives an annual retainer of \$10,000. At least annually, the IRC will review compensation giving consideration to the following:

1. the best interests of the Funds;
2. industry best practices, including industry averages and surveys on IRC compensation;
3. the number, nature and complexity of the Funds for which the IRC acts; and
4. the nature and extent of the workload of each member of the IRC, including the commitment of time and energy that is expected from each member.

No indemnities were paid to the IRC by the Funds or the Manager during the period.

For each of these actions, the IRC has issued standing instructions to the Manager that require the Manager to comply with its related policy and procedures and to report periodically, and at least annually, to the IRC.
